brought themselves to believe that, as a choice of evils, it is the the best we are likely to get. We, for our part, do not think so, and, on account of reasons which are equally clear to us, we are going to vote the other way. It is our judgment that the new

Constitution will entail muck upon the State that the people will regret. On that point the Courier-Journal has spoken in no uncertain tones. It has e authorized to announce J. cation. Questioning the motives of pointed out its objections with specifias as a candidate to represent none, giving the most ample and stative district, (composed of candid testimony to the intelligence were reflect of Montgomery. Powell, as an actual Wolfe), subject to the acRobbi be Democratic party. Elecust, 1891

candid testimony to the intelligence and disinterestedness of gentlemen favoring the new Constitution, it has claimed the same right to have its motives, in taking an opposite view, respected. It has gone upon the record, decicively, and in retiring from the discussion—which, with this from the discussion—which issue, it proposes to do—it wishes to go upon the record to the further pre-

diction that all it has said upon subject will be vindicated in the end. But, back of the rejection, or ratification of this new Constitution-to be determined within the coming six weeks-stand questions of far-reaching importance, involving not alone Kentucky, but the entire Union. Upon those questions hang the destines of the Democratic party. We trotters and pacers Geo. Wilkes is share, with Mr. John Young Brown, the opinion that, at this time, the Democrats should allow no breaches gether as one man. Everything that tends to make issues and produce friction plays into the hands of the Republicans, and it is easy to foresee that | tional twe-year-olds out this year. we cannot engage in a general debate
